**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We choose a competitive provided because the big companies are charging what ever price they want for broadband in our homes, schools and businesses. Its imperative that some one stop this ridiculous plan.

Their plan in become a monopoly and control the market.

Is time that some one look after the small guy.

Thanks for your support for our small business community.
